In this life, 'cause I don't wanna lose this feelin'  
Don't wake me

{Verse 1}

I sip an REM and then I pinch myself to make sure I'm  
not dreamin', or make believin'  
I see so many girls but never build the nerve to say a  
word  
Or even form a sentence, oh

{Chorus}

In this life  
Waking up dreaming, I know I'm not sleepin'  
Please don't wake me up 'cause I don't want to lose this  
feelin'  
Leave me alone, don't even call my phone  
And please don't, don't wake me

{Verse 2}

I know I seen this place before, but I still I pinch my  
nose to make sure I'm still breathin'  
For no particular reason, and I seen so many wrongs  
and wrote so many songs  
My right hand ran away just yesterday, yeah

{Chorus}

In this life  
Waking up dreaming, I know I'm not sleepin'  
Please don't wake me up 'cause I don't want to lose this  
feelin'  
Leave me alone, don't even call my phone  
And please don't, don't wake me

{Verse 3}

Hey, hey ohh, yeah  
I stare at walls and watch my life drive when it's done I  
move on to the ceiling  
I'm just make believin', 'cause I went blind two days  
ago  
And I don't know how I'm looking at what I'm seeing, oh  
I can't believe it  
Oh in this life

{Chorus}

In this life

Waking up dreaming, I know I'm not sleepin'

Please don't wake me up 'cause I don't want to lose this  
feelin'

Leave me alone, don't even call my phone

And please don't, don't wake me

Don't wake me, don't wake me
