[Ke\$ha]

I love the crazy things you do
Plus tonight's the night for me to play the fool
And the mood is right
Plus you're so polite

[Travie McCoy:]

But you that I really want ya
Girl you know that I really want ya

[VERSE 1 – Travie McCoy]

Sittin' here thinking bout' ways to confront ya
They dreamin' bout how it's gon feel when I touch
ya
Girl you know I really wantcha, you know how bad I
really wantcha?
But make it easy on me (damn), take it easy on me
(c'mon).
I'm fragile from girls in the past that did nothing but
frontin' that greasy on me
But I can tell that you different, swagger brand new like
an infant
Don't lie and act like you intended to be honest with
you, I'm kinda offended.
See I understand the policy, the least you could do is
acknowledge me.
Harder than readin' Japanese, and that look on your
face is just screamin' "Don't bother me."

[CHORUS – Ke\$ha:]

I love the crazy things you do
Plus tonight's the night for me to play the fool
And the mood is right
Plus you're so polite

[Travis McCoy:]

But you that I really want ya
Girl you know that I really want ya

[Ke\$ha:]

Really really really really want you back
And your lips got a smile that ain't never sad

You bad bad boy I ain't never mad
at you, at you

[Travis McCoy:]
But you that I really want you
Girl you know that I really want you

[VERSE 2 – Travi McCoy]
Now gimme a' some sort of a sign, just something so I
can be sure that u mine (shh)
Now before you start lying, just ask yourself, am I really
that fine? (What?)
I happen to think that you are, in fact I'm convinced
that you're an angel
That somehow fell from the sky, you fly but die, don't
getcha' angle
Now we can sit here and pretend like the feelings you
have are nonexistent.
But it's so obvious, you're dying inside to be my
princess.
Look at you now you're smiling, but earlier you was
whylin'
Like I wouldn't fuck wit that dude if we was stuck on a
deserted island (Now that's how feel).

[CHORUS – Ke\$ha:]
I love the crazy things you do
Plus tonight's the night for me to play the fool
And the mood is right
Plus you're so polite

[Travis McCoy:]
But you that I really want ya'
Girl you know that I really want ya'

[Ke\$ha:]
I Really really really really want you bad
And your lips got a smile that ain't never sad
You bad bad boy I ain't never mad
at you, at you, at you

[Travis McCoy:]
But you that I really want ya'
Girl you know that I really want ya'

[Ke\$ha]
I love the crazy things you do do something oh so not
so cool
Tonight I'm gonna' play the fool
So what? I wanna' get with you.

[CHORUS – Ke\$ha:]
I love the crazy things you do

Plus tonight's the night for me to play the fool
And the mood is right
Plus you're so polite

[Travis McCoy:]
But you that I really want yaÂ'
Girl you know that I really want yaÂ'

[Ke\$ha:]
I Really really really really want you bad
And your lips got a smile that ain't never sad
You're bad bad boy I ain't never mad
at you, at you, at you

[Travis McCoy:]
But you that I really want yaÂ'
Girl you know that I really want yaÂ'
