When I first saw you, I saw love  
And the first time you touched me, I felt love  
And after all this time, you're still the one I love.

Ooh yeah! Looks like we made it, look how far we've  
come, my baby!  
We might've took the long way, we knew we'd get there  
someday.  
They said "I'll bet they'll never make it!"  
But just look at us, holding on!  
We're still together, still growing strong!

You're still the one, you're still the one I run to  
The one that I belong to! You're still the one I want for  
life!  
You're still the one, you're still the one that I love  
The only one I dream of! You're still the one I kiss,  
good night!

Ain't nothing better, we beat the odds together!  
I'm glad we didn't listen! Look at what we would be  
missing!  
They said "I'll bet they'll never make it!"  
But just look at us, holding on!  
We're still together, still growing strong!

You're still the one, you're still the one I run to  
The one that I belong to! You're still the one I want for  
life!  
You're still the one, you're still the one that I love  
The only one I dream of! You're still the one I kiss,  
good night!

You're still the one! Still growing strong, ooh!  
Look at us holding on, yeah!

You're still the one, you're still the one I run to  
The one that I belong to! You're still the one I want for  
life!

You're still the one, you're still the one that I love  
The only one I dream of! You're still the one I kiss,  
good night!

So glad we made it! Look how far we've come, my  
baby!
