My wife said she was leavin'  
And so she left me flat  
I lost my job last evening  
I guess that ended that  
My pocket's sure am empty  
I ain't paid my union dues  
The bets ain't made  
The bills ain't paid  
But still I got good news

I'm gonna pull off my coat  
Gonna roll up my sleeve  
Do just exactly as I please  
I'm gonna swing and sway, shout hurray  
I'm gonna boogie woogie boogie my blues away

They took my car this mornin'  
'Cause I didn't have no loot  
Just walkin' to the corner  
I tore my Sunday suit  
I lost my watch and pocket chain  
And brother that ain't all  
My wife came by and blacked my eye  
But still you'll hear me call

I'm gonna pull off my coat  
Gonna roll up my sleeve  
Do just exactly as I please  
I'm gonna swing and sway, shout hurray  
I'm gonna boogie woogie boogie my blues away

I'm gonna boogie  
I'm gonna boogie woogie boogie my blues away
