Yeah, yeah

Relaxed and I'm thinking did I forget to mention  
I'm sitting on a location, I call it new station  
Destructing my best hope is  
Motherfuckers ain't got no life, no vision, no ambition

No will to do a damn thing, they often spit easy  
And talk down on a nigga make it shinin'  
How is that bubbly? So menstrual psychology  
Tamponing, stressful, overloaded jealous niggas  
I'm in my own world, literally no bullshit, baby

I keep a cool head, I keep a cool head now, whoa  
I keep a cool head, I keep a cool head

Ain't nobody tripping on, I'm cool, relax  
I keep my mojo on, damn no turning me off  
I keep making that money, that money, that money  
Yeah, keep my mojo on, damn, no turning me off

Ain't nobody tripping on, I'm cool, relax  
I, I keep my mojo on damn no turning me off  
I keep making that money, that money, that money,  
yeah  
I keep my mojo on, damn, no turning me off

I keep a cool head, I keep a cool head now, whoa  
I keep a cool head, I keep a cool head now, whoa  
I keep a cool head, I keep a cool head now, whoa  
I keep a cool head, I keep a cool head

They stay living right in their own eyes  
In their own [Incomprehensible], in their holes  
We see beyond the hate, we see a poor soul  
Who hasn't been told  
They only know what they've been shown

They stay living right in their own eyes  
In their own [Incomprehensible], in their holes  
We see beyond the hate, we see a poor soul  
Who hasn't been told

They only know what they've been shown

I keep a cool head, I keep a cool head now, whoa

I keep a cool head, I keep a cool head now, whoa

I keep a cool head, I keep a cool head now, whoa

I keep a cool head, I keep a cool head
