Hard liquor,  
Me and my people be so drunk we don't drive  
We take the trolley 'cause oh hard liquor,  
We started Waldo to Westport and pee in every martini  
corner at the last call  
And we all yellin'.  
Is there any more?  
When it ain't we go home for hard liquor,  
Make sure that it's mixed, yeah  
And twist it with a little bit of lemon juice on ice, on ice,  
on ice, yeahhh.

Aye aye they sayin' that I got high blood sugar,  
So I can't drink like I wanna, drink, drink like I wanna  
Know I ain't playin' 'cause I liquor  
So if I drink Ima a gunner, drink jinxed I don't wanna  
go,  
So I go hard as hell for one night  
Fun sight  
If I'm drunk enough to start a bum fight  
Done right, Henry, Jack and Gin, 151 Rum  
Slight none light  
Novocain I know to blame  
A gun snipe, a drunk life  
I hit ya with a log split ya  
Hit ya ass, get ya cash and they all richer  
And they draw a pitcher  
I'm large sipper  
When you ain't better hope I ain't in the car witcha.

Chorus:

Hard liquor,  
Me and my people be so drunk we don't drive  
We take the trolley 'cause oh hard liquor,  
We started Waldo to Westport and pee in every martini  
corner at the last call  
And we all yellin'.  
Is there any more?  
When it ain't we go home for hard liquor,  
Make sure that it's mixed, yeah  
And twist it with a little bit of lemon juice on ice, on ice,

on ice, yeahhh.

Aye aye they sayin' that I got high blood sugar,  
So I can't drink like I wanna, drink, drink like I wanna  
Know I ain't playin 'cause I liquor  
So if I drink Ima a gunner, drink jinxed I don't wanna

Hard liquor, I need some more, hard liquor, all the  
alcoholics in this .. is there any more  
We even go to WalMart for, hard liquor  
Make sure that it's mixed  
And twist it with a little bit of lemon juice on ice, on ice,  
on ice, yeahhh.

Hard liquor, hard liquor.  
Is there any more?  
Make sure that it's mixed  
And twist it with a little bit of lemon juice on ice, on ice,  
on ice, yeahhh.
