Tis the season for holiday cheer  
So many reasons to hold you near.  
Yeah, that mistletoe is helping my cause  
And I hope you know my letter went to Santa Claus.  
It says:

Chorus:  
What I want for Christmas  
Well it's all wrapped up in you,  
It's all wrapped up in you!  
What I want for Christmas  
Well it's all wrapped up in you,  
It's all wrapped up in you!

So please,  
Tell me what I'll find  
When it comes the time  
To untie the bow,  
Let me finally know  
That you're mine!

Whistler snow is like a wonderland  
It goes so cold; could I hold your hand?  
Coz you outshine those colored lights  
On the Christmas trees and silent nights.

Chorus:  
What I want for Christmas  
Well it's all wrapped up in you,  
It's all wrapped up in you!  
What I want for Christmas  
Well it's all wrapped up in you,  
It's all wrapped up in you!

No, it can't be found in shopping malls,  
Ice skates on frozen ponds and deck the halls.  
It refuses to be wrapped in green and red  
Here's a gift of the heart instead.

Chorus: (x2)  
What I want for Christmas

Well it's all wrapped up in you,  
It's all wrapped up in you!  
What I want for Christmas  
Well it's all wrapped up in you,  
It's all wrapped up in you!

So please,  
Tell me what I'll find  
When it comes the time  
To untie the bow,  
Let me finally know  
That you're mine!

Thanks to Iulia
