I don't care if it cuts like a knife  
Or I cry til I'm dry as a bone  
I don't care if it tears up life  
Leaves me bare and alone  
I wanna feel it all  
The flying and the fall  
And when I have the chance again  
I'll love the only way I can

Chorus:

Like the earth longs for the sun  
Like wild horses have to run  
Like the feeling I've fallen so hard  
That'd you give your whole heart  
And when you know you might not get it back  
I want a love like that

I keep the door to my heart wide open  
Though sometimes a cold wind blows in  
And somehow I'll keep my faith and love going  
That's just how I choose to live  
Cause I believe I'll find  
My soul in someone elses eyes  
And I won't give up on that  
Until somebody loves me back

Chorus:

Like a river rages on  
To the sea where it belongs

Chorus:
