The boys as friends
Maybe smart and cool
But I don't fall for the parlevou
Those latin lover's tall and dark
Can't steal this senorita's heart
The only ones turning my head their wayy..
Are genuine made in the U.S.A

Chorus:
American Boys
Nothing else like 'em
American boys
Lovin' or fightin'
American boys
There still the ones
Give this american girl a choice
I'll take those hardworkin', red blooded
True blue American boys

Give me a hometown hero in a baseball cap
Old levi's leaning on a poniac
Here in the land of the brave and the free
I wish there were forty nine more of me
So I could loose my heart in any state
from New York all the way to the Golden Gate

Chorus:
American Boys
Nothing else like 'em
American boys
Lovin' or fightin'
American boys
There still the ones
Give this american girl a choice
I'll take those hardworkin', red blooded
True blue American boys

Bridge:
I pledge alliagance to every mothers son
Its my patriotic duty to find me one yeah

Chorus:

American Boys

Nothing else like 'em

American boys

Lovin' or fightin'

American boys

There still the ones

Give this american girl a choice

I'll take those hardworkin', red blooded

True blue American boys

Ohh american boyss
