Lookin' out my window  
Headin' home from Tennessee  
No light up ahead  
To keep my eyes from sleep  
You came out of that darkness  
No chance to hit the breaks  
You flew on to heaven  
Like an angel, but i was saved

Chorus:

You took the chance  
To tell me your story  
Now I'm takin' mine  
To tell them you're name  
Just up the road was sorrow  
& you saved me from the pain  
You gave your life for me  
Angel James

No one knows what could've been  
Meant for me that day  
But I know God sent you  
To stop me on my way  
Blessings & nothing less  
He gives for you to have  
Choirs all around you sang  
"My Good & Faithful Man"

Chorus:

You took the chance  
To tell me your story  
Now I'm takin' mine  
To tell them you're name  
Just up the road was sorrow  
& you saved me from the pain  
You gave your life for me  
Angel James

Just a little further,  
& I would have been lost  
Lost in the darkness

From a broken bridge  
And a ten foot ridge

Chorus:  
You took the chance  
To tell me your story  
Now I'm takin' mine  
To tell them you're name  
Just up the road was sorrow  
& you saved me from the pain  
You gave your life for me  
Angel James

ohhh yes you did  
Angel James  
oooooooo
