Donnie was a looker  
And he knew just what to say  
Drove me insane in a good way  
Billy was the intellectual  
Man, I loved to hear him talk  
From philosophy to the history of rock  
But you can't stay with hottie  
just because hes hot  
And you can't stay with a smarty  
just because hes smart  
pshh..

Chorus:  
Baby your everything  
No more settlin'  
For just a fraction of my dreams  
And fantasies  
You ain't just half of what I need  
Your every little piece

Your all about the romance  
Candlelight and wine  
And you can make me laugh so hard I cry  
You draw me a bubble bath  
When I'm over worked  
And your kisses rock my world  
Your the smile I wanna wake up too  
The hand I wanna hold  
The best part of every boy I've ever known

Chorus:  
Baby your everything  
No more settlin'  
For just a fraction of my dreams  
And fantasies  
You ain't just half of what I need  
Your every little piece

Your the smile I wanna wake up too  
The hand I wanna hold  
The best part of every boy I've ever known

Oh yeahh

Chorus:

Baby your everything  
No more settlin'  
For just a fraction of my dreams  
And fantasies  
You ain't just half of what I need  
Your every little piece

Every little piece  
Yeah yeah
