He brings me diamonds
He brings me pearls
Tells all his buddies
That I'm his girl
He might be the sweetest
boy in the world
But he's not you

He takes me out
& he treats me fine
we talk for hours
on the phone all night
the perfect gentleman
all of the time
But he's not you

Chorus:
He gives me chances
To forget your memory
& yet, sometimes i can see your face
& feel the love, he can't erase

he gives me kisses
& holds me tight
he's real good company
on lonely nights
could i love him?
baby, i might
but he's not you
oh, no

He gives me chances
To forget your memory
& yet, sometimes i can see your face
& feel the love, he can't erase
no

he gives me kisses
& holds me tight
he's real good company
on lonely nights

could i love him?
baby, i might
but he's not you
oh, no
