If I could walk away I would
& run as fast as I can
To anywhere but here
But here I am again
Cause your love is like an arrow
Drivin' deep in my heart
& never even saw it comin'
Guess you've got that down to an art

Chorus:
So I'll stay
I'll wait
Someday I'll break

I know the rain is comin'
I can feel it the air
But I don't run for cover
Cause I know I don't have a prayer

Chorus:
So I'll stay
I'll wait
Someday, I'll break

Little by little I lose myself
Like an unread book on a dusty shelf
You've chipped away my heart
Like its made of stone

And I know you ain't the only one to break
I've read the dice, i've played this game
It's too late, I'm in too deep
I can't be saved

Chorus:
So I'll stay
I'll wait
Each day, I fade
& I wonder
If I'll make
If I break

Stay...
Wait...
