Blonde hair, blue eyes  
You know the way to hypnotize me  
I like talkin' to you  
Ball cap, sweat shirt  
You can hit me where it hurts  
I like talkin' to you, yeah

Sweet lips, one kiss  
So sweet that I just can't resist ya  
I like talkin' to you  
Three words ringing clear  
Whisper softly in my ear  
I like talkin' to you

Chorus:  
We could fly to the sky above  
We could swim in the ocean of love  
Or just sit on the back of your truck  
Gazing at the moon  
It doesn't matter what we do

Sweet lips, one kiss  
So sweet that I just can't resist ya  
I like talkin' to you  
One boy, one girl  
Found love in this big ol' world  
I like talkin' to you  
Now I can see us together  
Everyday and forever  
I like talkin' to you

Chorus:  
We could fly to the sky above  
We could swim in the ocean of love  
Or just sit on the back of your truck  
Gazing at the stars  
It doesn't matter where we are

One boy, one girl  
Found love in this big ol' world  
I like talkin' to you

Chorus:

yeah, We could fly to the sky above  
We could swim in the ocean of love  
Or just sit on the back of your truck  
Gazing at the moon  
It doesn't matter what we do  
we could fly to the sky above  
We could swim in the ocean of love  
Or just sit on the back of your truck  
Gazing at the stars  
It doesn't matter where we are

Blonde hair, blue eyes  
You know the way to hypnotize me  
I like talkin' to you

I like talkin'  
I like talkin'  
I like talkin' to you yeahh
