I went fallin in love last night
I knew it was wrong but it felt so right
I went fallin fell hard and fast
Its just a short term love
But I know It'll last

There was a darn cute cowboy at the dance
And I went fallin when I had the chance
I let his arms hold me tight
yeah I went fallin In love last night

Chorus:

I'm just a cowgirl
Strong and sweet
I love wild horses
And a cool, cool creak
Hold me back from jumping in (I know)
I know the consequence of this type of love
Always holding back but its never enough
Please hold me back from jumping in

I fell for a smile and laugh
He held a little tight
But I like it like that
I fell cause this boys a dream
Yeah this is the way
Its suppose to be

Chorus:

I'm just a cowgirl
Strong and sweet
I love wild horses
And a cool, cool creak
Hold me back from jumping in (I know)
I know the consequence of this type of love
Always holding back but its never enough
Please hold me back from jumping in
Yeah

I'm just a cowgirl
Strong and sweet

I love wild horses
And a cool, cool creak
Hold me back from jumping in (I know)
I know the consequence of this type of love
Always holding back but its never enough
Please hold me back from jumping in
Yeah

Please hold me back from jumping in
Hold me back from jumping in
yeahh
