Joyride

Go on and show me the meaning of the world we keep  
Sing it to just like a symphony  
I wanna hear it that way

Trouble come, trouble go sunshowers fall down on me  
A perfect day it won't have to be  
it's just the way that it goes  
I suppose

We could lay here all night  
Lament a life with no God loving face on our side  
Instead of making up  
For lost time

Life, taking me on a joy, joy, joyride  
Life's, been taking me on a joy, joy, joyride

Step in line with a starlit sky hanging down on me  
Sometimes scared that I am incomplete  
But I'm still glad that I came  
Just the same

We could lay here all night  
Lament a life with no God loving face on our side  
Instead of making up  
For lost time

Life, taking me on a joy, joy, joyride  
Life's, been taking me on a joy, joy, joyride  
Life, taking me on a joy, joy, joyride  
Life's, been taking me on a joy, joy, joyride
