[Verse 1]

I'm a pimp, I pop tags off brand new clothes
Yeah, I knocked a few of these niggaz for a few hoes
Hit the track in my (*noise*), it was blazin hot
Turned a few corners, checked a few wops
They was hatin, cause my hoes was jumpin out of a CL
Chase 'em but don't touch 'em, I give you these
sheezels
Ain't gettin no money love, look at they hoes
These bitches is barely breathin baby, look at they
clothes
She knew a gangsta need money, so she work that
walk
Hips, lips, and fingertips she bring back guac
I'm the gangsta behind the gang gun, you niggaz is
soft
My bitches jumped in the Coupe, then we all blew off,
cause I'm a pimp

Jumped off the bird (*noise*), tryin to see what it do
