[Verse 1]

I'm too thowed for these hoes, my paint look so ice
In my white tee, In my coke white Nike's
When I pull push through, I never would front on my
folks
I slow down and let the gold diggers count my spokes
I put 'em tenty-fours out in the summer
And I'll fuck ya baby mama on the under
What that is? I'm so fresh
On mama's nigga I look wet
I got a bike sprayed Coca-Cola red
I write hyphy shit, I'm havin bread
I turned the corner fifty times I'm a star
They don't want me, they wanna fuck my car, cause
nigga I'm wet

[Hook - 2X]

I'm wet (I'm wet, I'm wet)
I'm wet (I'm wet, I'm wet)
I push around with a Mac and a Tec
I'm so fresh cause nigga I look wet

[Verse 2]

Sittin on candy, smokin on dro
Watchin T.V.'s, on my metro
Grow niggaz hate on me cause I got dough
Talkin bout me to these bitches, what you sayin that

Fresh out of Nino Motors, black magic on my tire
