Why am I walkin' away  
When you're telling me I should stay;  
It'll be OK  
I'll collect my broken heart  
And hate each second we're apart  
How do I start?  
My friends say what I wanna hear:  
I'll be alright without you near

But I want to jump  
Jump, jump, jump  
Into your arms  
Could you hold me like you used to?  
If I jump  
Jump, jump, jump  
Into your arms,  
Then I won't have to miss you like I do.

I listened to your song just once,  
And I think that was more than enough  
How do you write that stuff?  
You never took interest in the  
Things I sang about you and me  
It's not meant to be, I guess

Love is just too terrifying,  
Makes you feel like you are dyin'

But I want to jump  
Jump, jump, jump  
Into your arms  
Could you hold me like you used to?  
If I jump  
Jump, jump, jump  
Into your arms,  
Then I won't have to miss you like I do.

I can't rewind, I can't stop time  
I can't change your mind,  
But can you see?  
I can't rewind, I can't stop time

I can't change your mind,  
But can you see?

That I want to jump  
Jump, jump, jump  
Into your arms  
Could you hold me like you used to?  
If I jump  
Jump, jump, jump  
Into your arms  
Then I won't have to miss you like I do.

Why am I walkin' away  
When you're telling me I should stay?
