Verse 1

David didn't dream he could ever do it, Being a king
was gonna be hard
But David didn't dive to the depths of confusion
He always called for God to be his guard.
David didn't draw from the well of evil
cause David had a heart that heard God's voice
And David didn't drawn in all his sorrows, David didn't
hide his holy joy.

Chorus

David did dance, David did sing
David did dance, brother David did swing
David did dance, and I know why
David did dance, dance, dance, so can I.

Verse 2

David didn't do everything that he should have
cause he was always human through and through
But David didn't drop everything he believed in
David didn't dare forget the truth
David didn't drive down the road of perfection
David didn't dock on the shore of defeat
David drank the new wine of the spirit
And it found it's way down to his feet.

Chorus

David did dance, David did sing
David did dance, David did sing
David did dance, and I know why
David did dance, dance, dance, so can I.

Bridge

Sometimes you can't help it, Sometimes you don't care
Sometimes it's a feeling, like a breathe of heavens air
Sometimes you just smile, sometimes you will cry
Sometimes you begin to move, Sometimes you see why

Chorus

David did dance, Brother David did sing
David did dance, David did sing

David did dance, and I know why
David did dance, dance, dance, so can I
David did dance, dance, dance, so can I
David did dance, dance, dance, so can I

c'mon y'all
dance
