#### Chorus

I cant wait  
This is what I've been waiting forâ€¦.

I can't wait  
till my loves walks in the door

#### Verse 1

And im just sitting here beginning to get a little  
impatient  
Fingernails gone  
chain smoking  
heart racing  
Pacing back and forth waiting on wifey to get home  
She been gone for four days but that's four too long  
She on her way tho  
From JFK so traffic must be crazy  
Maybe travi isâ€¦. Fuck it  
Swiffer my apartment five times  
Got it smelling fresh  
I kno when she walks thru the door  
we bout to make a mess  
Yesss the door man just called in  
Shes down stairs  
oh lordâ€¦  
I feel like I've been waiting forever  
Just to smell her  
And kiss her on the nose  
And tell her daddys glad shes home  
Shes in the elevator  
Im getting butterflies  
Then the door bell rings and I can see her eyes  
Thru the peep hole  
So I open up the door slow and hug her till she turns  
blue  
Girl you kno how much I missed you?

#### Chorus

I cant wait

This is what I've been waiting forâ€¦.

I can't wait  
till my loves walks in the door

#### Verse 2

And now we in the bed wrestling  
Nestled in the covers watching Paris's burning  
(Rest in peace wily Ninja)  
She likes to call me bear  
I like to call her mami  
Things is heating up  
She like, get behind me  
Shes a bad girl  
So imma punish her  
Like Frank Castle  
No remorse when im done with her  
Practicing baby making  
I kno she not faking  
Her eyes are rolling back  
I got her legs shaking  
We've had our ups and downs  
We've had our in and outs  
Nah im just being nasty  
My baby girls classy  
Told me she kissed a girl  
She said she liked it  
Me being the man that I am you kno I got excited  
I cant wait no more  
Lets go get this license  
I mean dating's cool  
But marriage is priceless  
Lets set a date  
And tell your girlfriends  
Mr. and Mrs. McCoy  
Until the world ends
