Travis:

They say anything is possible
and lifes just another obstacle well show me the
manual,
and the man responsible
i went lookin for answers in the hospital
and came back wit a pocket full
when i stole the manual,
and killed the man responsible

Now we all make mistakes
but those mistakes just make us who we are
and not who we choose to be (no)

My faith got misplaced
somewhere between a superstar
and the boy that i used to be

T-pain hook:

Hey
im just tryin to be who you say you are, but who are you
im just tryin to be who you say are the stars and who is
cool

but who am i
(oooo0)
im the dude responsible
but who am i
(oooo0) hey
im the dude responsible

Young Ca\$h:

ima be in the hood sippin yacht wit my boys
at the keg parties with the white boyz
at the beach with the surfers in beverly hills at a ex
party with vicks and light toyz
i guess you can call me a chameleon
i adapt to any situation im in
and my momma aint raise no fool im jus comfortable in
the skin that i am in

(now we all make mistakes)
yeah im a walking contradiction
and plus i neva listen ooooo
(and my faith got misplaced)
somewhere along the lines of
tryna make my mind up yeah
