Hey hey hey
Pop another bottle
Feel the people coming
Hey Hey Hey
We've got cheese to the left
And we'll roll another round
Hey hey hey
We don't give a damn
No we don't give a fuck
Hey Hey hey
Haaaa....
Hey Hey Hey

Hey hey hey
Pop another bottle
Feel another cup
Hey Hey Hey
We've got cheese to the left
And we'll roll another round
Hey hey hey
We don't give a damn
No we don't give a fuck
Hey Hey hey
Haaaa....
Hey Hey Hey

I'm a man and I round the
Girls up cause
I drop jewels and I drop jewels
And you obey
I don't try to be cool
I pop bottles
I pop champagne
I took off that rocket spray
I chase in space
And I've got shades

Girls pop and they
Bounce on my lap like
A lap top
They don't stop

And that's what you'll
See as a backdrop

Hey hey hey
Pop another bottle
Feel the people coming
Hey Hey Hey
We've got cheese to the left
And we'll roll another round
Hey hey hey
We don't give a damn
No we don't give a fuck
Hey Hey hey
Haaaa....
Hey Hey Hey

Hey hey hey
Pop another bottle
Feel another cup
Hey Hey Hey
We've got cheese to the left
And we'll roll another round
Hey hey hey
We don't give a damn
No we don't give a fuck
Hey Hey hey
Haaaa....
Hey Hey Hey

So gets get with it
Don't pretend like
You don't want to get in it
Outside looking like you
Wanna be with it
The way she moves
It they just keep spinning
I'm the best
Yes I'm the best
There's no contest
I'm gonna make you happy
I'm gonna make you hot
Tilt your head back
And take a shot
You'll really like
I can't make you stop
It's gonna be all clean
Baby you're gonna like my team

Hey hey hey
Pop another bottle
Feel the people coming

Hey Hey Hey
We've got cheese to the left
And we'll roll another round
Hey hey hey
We don't give a damn
No we don't give a fuck
Hey Hey hey
Haaaa....
Hey Hey Hey
Hey hey hey
Pop another bottle
Feel another cup
Hey Hey Hey
We've got cheese to the left
And we'll roll another round
Hey hey hey
We don't give a damn
No we don't give a fuck
Hey Hey hey
Haaaa....
Hey Hey Hey

Hey Hey Hey
Hey Hey Hey
We don't give a damn
No we don't give a fuck
Hey Hey hey
Haaaa....
Hey Hey Hey

Pop another bottle
Feel the people coming
Hey Hey Hey
We've got cheese to the left
And we'll roll another round
Hey hey hey
We don't give a damn
No we don't give a fuck
Hey Hey hey
Haaaa....
