What can I say but I miss the farm
And all the baby animals in the barn
The flowers that grow, planting beans in a row
And waking in the morning to a rooster crow
(cock-a-doodle-doo)

The baby cows and the mama cow sheÃ¢??d say
Moo Moo
The baby cows and the papa cow heÃ¢??d say
Moo Moo

Talking to the animals in the barn
(thatÃ¢??s what I did on the farm)
Watching all the flowers grow
(thatÃ¢??s what I did on the farm)
Plant my beans all in a row
(thatÃ¢??s what I did on the farm)
Wake up to a rooster crow
(thatÃ¢??s what I did on the farm)

The baby horses and the mama horse sheÃ¢??d say
Neigh neigh
The baby horses and the papa horse heÃ¢??d say
Neigh neigh

The baby sheep and the mama sheep sheÃ¢??d say
Baa baa
The baby sheep and the papa sheep heÃ¢??d say
Baa baa

Talking to the animals in the barn
(thatÃ¢??s what I did on the farm)
Watching all the flowers grow
(thatÃ¢??s what I did on the farm)
Plant my beans all in a row
(thatÃ¢??s what I did on the farm)
Wake up to a rooster crow
(thatÃ¢??s what I did on the farm)

thatÃ¢??s what I did on the farm
thatÃ¢??s what I did on the farm

And that's what I miss about the farm
