When I walk along the river,
I take a step, I take a step, I take another step (x3)
I love to watch the river flow (x2)
It goes oooh wah, oooh wah,
oooh wah, oooh wah, oooh wah, oooh wah, oooh wah
oooh (x2)
When I jump along the river,
I jump a step, I jump a step, I jump another step (x3)
And I love to watch the river flow
I love to watch the river flow
It goes oooh wah, oooh wah,
oooh wah, oooh wah, oooh wah, oooh wah, oooh wah
oooh (x2)
When I dance along the river,
I dance a step, I dance a step, I dance another step (x3)
I love to watch the river flow (x2)
It goes oooh wah, oooh wah,
oooh wah, oooh wah, oooh wah, oooh wah, oooh wah
oooh (x6)
And I love to watch the river flow
I love to watch the river flow (x2)
