And I want you to step out on her, ain't even gon lie
But girl you're too damn bad babe, ain't even gon lie

Baby girl call my cellphone, said she wanted me to

Get a hotel and get situated, after that I say bye
Ask whatever I told the truth
Ain't no need to deny shit
Shawty sopping my main bitch, ye she cook and she

Could see a pair in your hole
Quick break it down on these hoes
