[Chorus:]

And when she do it
I make it rain
I'm a make it rain
And when she do it
She drive us boys insane
Money and fame
Yeah
And he ain't no one turned up like this
Bitch they scrobble they love this shit
Bitch they scrobble they love this shit
Bitch they scrobble they love this shit
Magic city, flood this shit
King of diamonds, flood this shit
For the lines, flood this shit
Bitch they scrobble they love this shit

[Verse:]

My puerto rican girl
Call me Papy when I hit the club
If it's dance I throw it all
Fuck it, I don't give a fuck
In KO dealin' with my whole team
Flood that bitch like the water on
Rain rain thunderstorm
Louie stealin' all my dough
Four, five in the mor'
Four, five chain zone
Tittie to the sweet
Me and chico racing Range Rovers
My valet paid him with a bunch of money
Tuesday night and I'm a fuzzy jumping
Turned up, bottles keep them coming
Weather man make it rain money

[Chorus:]
