(Cause I'm a heartbreaker)

(Strap)

I just wanna fuck a couple times but she want more  
than that  
She wanna be a couple, all exclusive, I'm ignoring that  
I'm on my explorin shit  
She see me on the Internet  
Plus on TV all of this it says she gets no benefits  
Calling me like back to back  
Baby girl, what's up with that?  
Got damn you fine  
Before I signed  
You wasn't even tryna give me that cat  
Now shit done changed, you feeling Strap  
Hold up boo, I'm not though  
Cheese if you want to but this dick is not yours  
Tryna cuff me up, tryna cake up  
Got my sheets fucked up from her make-up  
It's cool, but baby I don't need all that  
Relax, it ain't gotta be all that  
What we do behind closed doors, keep it like that  
She text me I miss you but I ain't write back

(Chorus)

Cuz I'm a heartbreaker  
You text me, I don't text you back  
You like boo what's up with that?  
You miss me, I don't miss you back  
Cuz I'm a heartbreaker  
This here is a one night thang  
And I looking for no rings  
And I don't play no games, but

I don't mean to break your heart, heart, heart  
Don't mean to break your heart, baby  
But I'm a heartbreaker  
This here is a one night thang  
And I ain't looking for no rings  
And I don't mean to play no games, but

(Quez)

I'm in the club like Saturday  
Girl what yo name is?  
Ooh, you looking good, girl is you famous?  
Well, I'm Quezyo the heartbreaker  
All my pillows white so take off your make-up  
Imma lay it down so I hope you do your part  
Please don't put your love in my hand I might drop your  
heart  
But when all the feelings surface

You see it wasn't working  
In fact, baby girl I dropped your heart on purpose

(Chorus)  
Cuz I'm a heartbreaker  
You text me, I don't text you back  
You like boo what's up with that?  
You miss me, I don't miss you back  
Cuz I'm a heartbreaker  
This here is a one night thang  
And I looking for no rings  
And I don't play no games, but

I don't mean to break your heart, heart, heart  
Don't mean to break your heart, baby  
But I'm a heartbreaker  
This here is a one night thang  
And I ain't looking for no rings  
And I don't mean to play no games, but

(Ali)  
I love ya girl, but I ain't your lover  
We fucking girl, but we gotta use a rubber  
Can't spend the night, cuz I ain't tryna cuddle  
And she can't find another nigga like me  
So she sprung, sprung, sprung yeah  
Can't leave me alone yeah  
It's like I shot her down, right in the heart  
I broke her and split her feelings apart

(Chorus)  
Cuz I'm a heartbreaker  
You text me, I don't text you back  
You like boo what's up with that?  
You miss me, I don't miss you back  
Cuz I'm a heartbreaker  
This here is a one night thang  
And I looking for no rings  
And I don't play no games, but

I don't mean to break your heart, heart, heart

Don't mean to break your heart, baby  
But I'm a heartbreaker  
This here is a one night thang  
And I ain't looking for no rings  
And I don't mean to play no games, but
