Bad hoes I'm seen with them
Car seats got screens in them
Hoes row got beans in them

Check the stats, my team winning
Check the stats, my team winning
Check the stats, my team winning
Check the stats, my team winning
Check the stats, my team winning

OK, my trap button got beans in it
Green gold got bling in it
Back seats got lean in it

This ain't no taxi, taxi
I'm rolling down the window from the back seat, back
seat
No this ain't no rental, boy I bought it, I own it
I keep a chauffeur, he drove it
My pocket money can't fold it
I keep some b*tches to hold it
My belt got LV's in it
Shoes got LV's in it
Bank account got g's in it
Here a hundred dollar bill, I sneeze in it
And if you got 2 doors I be's in it
Wanna watch me as I lean's in it
If you see a bad b*tch in the passenger seat
You know damn well that Ali's in it

Bad hoes I'm seen with them
Car seats got screens in them
Hoes row got beans in them

Check the stats, my team winning

Check the stats, my team winning
Check the stats, my team winning

Gotta H Town girl, codeine sipping
Double g's slippers, I'm a clean n*gga
Take a black drink it like you don't need a liver
Lot of b*tches lot of liquor and a little tree
I gotta bring a couple more cause I'm TP
I bet the high siditty b*tches try to play me
I better get it in the end like it's TP
OK, chief-in on whatever on another level
Never been a fool, and that's word to Eric Neville
Yeah, and they all looking at me
You such a runnin' rebel, well you in LV
High, ain't nuttin' they can tell me
I got bars you lil' n*ggas sell ring
You little n*ggas little league I'm the real thing
I still wonder while you little n*ggas still breathe
I'm ring winnin', my jeans different
Lil PRPS like 3 digits
Don't be on BS keep it G, n*gga, with a P, n*gga
Yeah, check the stats, my team winning
Bet I get a b*tch open like a flea-flicker
Ricky Vaughn in this b*tch major league, n*gga
And to think you muthaf*ckas thought Sheen winnin'

OK, check the stats, check the racks
We getting money, you can face the facts
Monday through Monday we be cashing checks
We then turnt it up now it's at the max
LV on my feet with a belt to match
Hit yo hoe with a muthaf*ckin' baseball bat
Den I put that hoe on the welcome mat
Den I tell that hoe ain't no coming back
I do this sh*t for a exercise
Keep me a b*tch with some sexy thighs
Flexin' hard n*gga all the time
Ain't wearin' that sh*t if it ain't customized
They at the bottom, we at the top
We popping bottles, it don't stop
They killed the scene; I killed the block
Put a brand new bells on top my watch
Got a beans if you wanna pop
I pop one, you pop one
Whole team in them new drops; n*gga you should go
cop one
Bad b*tch riding shotgun
2 of her friends in the back boy
My team winning that's a fact boy
You got phat pockets like a fat boy

Check the stats, my team winning
All my hoes got team with em
Shirt cotton; my jeans denim
Had to wear the 13's with them
Had to wear the 13's with them
3 blunts got green in em
2 cups got lean in em
1 b*tch, my team hittin', my team hittin'
Yeah b*tch, my team hittin'
My b*tch fly, my pit fly, my car fly, got wings in it
Got wings in, clear eyes, Visine in it
You need to check the record, you better check the
