(Jerimih)

No, no don't act like that,  
I know i told you I'll be right, right back.  
As long as you can bring that right back,  
I'ma give it to you like, like that.  
Your nails, nails all on my back,  
You know shawty how I like that.  
Come ooon, let me show you how to ride like that

(Strap)

Seats white as coca-ine, shawty wet aquafina.  
Know she wanna ride it, I can tell by her demeanor.  
And me and shawty get a real good vibe  
She dripping all down her thighs.  
I've been sippin', you can look in my eyes  
Sunroof's open I can see the sky  
It's just something I can't deny, I hear your body calling  
me.  
Wanna be my private dancer, come with me to ecstasy  
Pussy so wet, and she ride it like a jet ski  
Fly down to Atlanta, shawty get the best of me

(Jerimih)

Baby girl don't act like that  
What you doing with a back like that?  
Didn't know you could stack like that,  
And I didn't know you could bring it back like that.  
As long as you do it, how we do it, when we did it,  
We can do it, every time when I'm in the city  
Waist so skinny with a face so pretty  
Girl it's your time, wanna taste your city like  
Ah, ah, ah, she scream out loud when i hit it from the  
back (the back)  
She fine as hell but don't know how to act  
She said she never did it, never tried  
She sitting there telling a mother fucking lie!
