[Chorus]

Somebody call the ambulance
Cause shawty done shot me down
There go the sirens [x4]
Talkin bout wee who [repeat]
There go the sirens

[Quez]

Somebody call 911 lil shawty done shot me down
And I'm bangin on the ground
Cant move or make and sound
I was walkin in the club and I seen lil shawty in the crowd
And the next thing I heard was Pow
Now I'm in the emergency room
Waitin on my surgery
Shawty so fine its hurtin me
Man I think I'm worried G
(You worried G?)
And I don't think I'm gonna make
But It could of been worst
I could have seen lil shawty naked
Damn

[Chorus]

[Strap]

Wee whoo its ture she shot me
Squeeze Once squeeze twice
Damn I think you got me
Girl your love is like a siren
Contagious like a virus
And I cant even lie look in your eyes
And I've been shot by cupid
And they say I'm stupid
Cause I love ya
But girl I swear nobody is above ya
Hurry call the ambulance
I don think that I can breath
And then I heard that siren
Ooowee

[Chorus]

[Ali]

Excuse doctor I think its an emergency
And hurry up because she doin it on purpose see
Nothin physical but I do need some surgery
I started flirtin and she started flirtin and we
It got worster cause shawty just shot me down
And then we started me messin around
And she the baddest chick in the town
