Then nigga I don't need you.

That's my girl she get whatever she  
Need, whatever she want  
We hit the mall. pop a few tags  
She get whatever she want  
Louie, prada, fendi bag  
She get whatever she want

She know I got her  
She don't need to ask  
Tell me what you want

Give me what I want  
Whatever she want (4x)

Girl you got that juice  
Imma spoil you rotten like an

First stop, the nail salon  
Then we smoke a blunt  
Second stop, hair done
