You ever felt like you were sinkin'?
That's just what I feel every time that I start drinking.
Like I'm stuck between two worlds that are pulling me,
into opposite directions
They say, don't sweat the small stuff don't take it too
hard
There's plenty of time your life aint even started.
So shut up, sit down, and listen, let me speak my mind.
Damn it don't you interrupt me with those pretty eyes.

And I, I don't want you to choose.
No, no, I aint asking you what to do, I just want you.
I just want you.
I just want you.
I just want you.

Now, let me sing it now, la da de da bo de da singin' wii
out
la da de da bo de da, singin' singin' singin' singin' now
la da de da bo de da, singin' wii out, yeah
la da de da bo de da, singin' singin' singin' now.
Yeah yeah yeah yeah yeah.
Ooh yeah.

You ever felt like you were sinkin'?
That's just what I feel every time I get to thinkin'
About those days I was naive to think you'd fall for me
I got hit with reality
And I said, I won't sweat the small stuff
Keep playin' this guitar
I been sitting waiting for the right one
Gotta get up get out and find her
So ill shut up, get off, and run in while I still got some
time
She's out there somewhere looking for Mr. Right

And I, I don't want you to choose.
Baby its up to me and I got nothing to lose
I want you.
(My darlin' what do I gotta do?)
I just want you.
(My darlin' what do I gotta do?)

I just want you.
(My darlin' what do I gotta do?)
I just want you.
(My darlin' what do I gotta do?)
Oh. And I, I don't want you to choose.
Baby its up to me and I got nothing to lose
I just want you.
