Operator, please connect me  
With 1982  
I need to make apologies  
For what I didn't do  
I sure do need to tell her  
That I've thought the whole thing through  
And now it's clear  
That she is what  
I should have held on to

(chorus)  
They say hind-sight's twenty-twenty  
But I'm nearly going blind  
From staring at her photograph  
And wishing she was mine  
It's that same old lost love story  
It's sad, but it's true  
There was a time when she was mine  
In 1982

Postman, can you sell me  
A special kind of stamp  
One to send a letter from  
This crazy lonely man  
Back into the wasted years  
Of my living past  
I need to tell her now I know  
How long my love will last

(repeat chorus)  
Losing my mind  
Going back in time  
To 1982
