Don Singleton

You're spreading lies
All over town
About the way your brushed me off
And put me down
Well I'm here to say
Make no mistake
My heart cracked,
But it did not break

Well I can't deny
The hurt was deep
The way you slammed that door
And walked right out on me
But I'm telling you
Get one thing straight
My heart cracked
But it did not break

(chorus)
Shatter dreams lie everywhere
Broken promises are all we shared
Well I finally took
All I could take
My heart cracked
But it did not break

Well I was blue
But not for long
'Cause this brand new love
I've got has made me strong
Well I'm over you
And all the ache
My heart cracked
But it did not break

(repeat chorus)
Yeah, my heart cracked
But it did not break
