On one hand I count the reasons  
I could stay with you  
And hold you close to me all night long  
So many lover's games  
I'd love to play with you  
On that hand there's no reason why it's wrong

(chorus)  
But on the other hand  
There's a golden band  
To remind me of someone who would not understand  
On one hand I could stay  
And be your loving man  
But the reason I must go is on the other hand

In your arms I feel the passion  
I thought it died  
When I looked into your eyes I found myself  
And when I first kissed your lips  
I felt so alive  
I've got to hand it to you girl, you're something else

(repeat chorus)  
Yeah, the reason I must go is on the other hand
