Well I shot a man in Louisville about one year ago
He was looking at me cockeyed
And I guess it goes to show
Jack Daniels and a pistol can be a powerful enemy,
Especially when the whiskey's inside me

And robbed a bank in Tulsa running from the federal
B.I.
I don't mind telling you that I shot the guard just to
watch him die.
And he's still hot on my trail
As my drunk driving hugs the rail
Going South bound on the way down 55

Well I'm prison bound,
They're gonna send me down forever and a day
So I'm jumping in my truck and I'm headed down
Old Mexico way

In Salt Lake City, Utah there's a warrant on my head
For a girl in a bordello that someone left for dead
And though it wasn't me
I must admit that I was in town at the time:
Drunk and shooting guns beneath the desert sky

Well I'm prison bound,
They're gonna send me down forever and a day
So I'm jumping in my truck and I'm headed down
Old Mexico way

I got 500 miles until I'm free
When I hit the Rio Grande "John Law" can't do nothing
to me
I got 500 dollars and 5 bullets in my gun
And If I have to, I'll unload every one

Well I'm prison bound,
They're gonna send me down forever and a day
So I'm jumping in my truck and I'm headed down
Old Mexico way

Old Mexico way
Old Mexico way

Old Mexico way
Old Mexico way
