I'm mortified
I'm morally antagonized

My door is locked
The shades are down
The lights are off

My movements are minimal
My sounds are inaudible
I'm dull and void
These razor thoughts are paranoid

I'm a footnote in your sentence
I'm a last name in an index

Scavenger savior
Don't forget to never remember
You haven't laughed in such a long time

My tongue is tied
So tight it's left me petrified

I stay up late
Stumble home at a pathetic pace

It is a time thief
It sings in late sleep
Swollen screams are salivating apathy

Bottle clinking Belmont neon
A city sea of sinking freedom

Scavenger savior
Don't forget to never remember
You haven't laughed in such a long time

It's right as rain
One salty kiss
Stays forever in your fingertips

Scavenger savior

Don't forget to never remember
You haven't laughed in such a long time

It's right as rain
One salty kiss
Stays forever in your fingertips
