The days are long the nights are lonely

Since you left me all alone

I worried so my little darling

I worried so since you've been gone

Sweetheart of mine can't you hear me calling

A million times that I love you bess

I mistreated you, darling, I'm sorry

Come back to me is my request

I remember dear the night we parted

A big mistake had caused it all

If you come back sunshine will follow

If you stay away twill be my fall

Sweetheart of mine can't you hear me calling

A million times that I love you bess

I mistreated you, darling, I'm sorry

Come back to me is my request

The nights are long and Tears are Fall'n

Oh how I need your sweet embrace

When I woke up the sun was shining

I looked up and I saw your face

Sweetheart of mine can't you hear me calling

A million times that I love you bess

I mistreated you, darling, I'm sorry

Come back to me is my request

Come back to me is my request
