In AD2101, war was beginning...

What happen?

Someone set up us the bomb.

We get signal.

What?

Main screen turn on.

It's you!

How are you gentlemen? All your base are belong to us. You are on the way to destruction.

What you say?

You have no chance to survive make your time. Ha ha ha...

All your base your base, base, base

All your base are belong to us

All your base your base, base, base

All your base are belong to us

All your base your base, base, base

All your base are belong to us

All your base your base, base, base

All your base are belong to us

All your base your base, base, base

All your base are belong to us

All your base your base, base, base...

All your base your base, base, base

All your base are belong to us

All your base your base, base, base

All your base are belong to us

For great justice, take off every 'Zig'

Move 'Zig', move 'Zig', move 'Zig', move 'Zig'

You know what you doing take off every 'Zig'

Move 'Zig', move 'Zig', move 'Zig', move 'Zig'

You know what you doing take off every 'Zig'

Move 'Zig', move 'Zig', move 'Zig', move 'Zig'

For great justice take off every 'Zig'

Move 'Zig', move 'Zig', move 'Zig', move 'Zig'

You know what you doing take off every 'Zig'

All your base your base, base, base  
All your base are belong to us  
All your base your base, base, base  
All your base are belong to us  
All your base your base, base, base  
All your base are belong to us  
All your base your base, base, base...

Move 'Zig'...

Base base base base base base base base base base  
base base base base base base base base  
You have no chance to survive make your time
