1986 Harley

Blowin' smoke and suckin' oil
My Daddy said, "Buy it and you're crazy, boy"
You can't tell me nothin'

It took me a year to fix it up
And one day to lay her down
I got a little hitch in my get along now
You can't tell me nothin'

Talk is cheap and free advice
Is worth the price you pay
I had to find out for myself the hard way
You can't tell me nothin'

Hometown homecoming sweetheart
Nobody thought I had a prayer
Her Mama said, "Boy, don't you come around here"
You can't tell me nothin'

They say be careful what you wish for
I wanted to be her man
Two babies and a trailer later here I am
You can't tell me nothin'

Talk is cheap and free advice
Is worth the price you pay
I had to find out for myself the hard way

They say that drinkin' will kill you
The same thing for rollin' smokes
But that's two of the three things that I like most
You can't tell me nothin'

I know what the Good Book preaches
But I know how I am
And I just hope somebody up there understands
You can't tell me nothin'
Can't tell me nothin'
