I turn on the radio  
And I begin to dial  
I do believe without a doubt  
The whole world's in denial

They're all singin', I love you  
What a perfect life  
Been around enough to know  
To know that isn't right

Doesn't anyone hurt anymore  
Have the teardrops stopped  
No one's walkin' the floor  
And the blues don't ever come around  
And knock on the door  
No angry words are spoken  
No hearts are bein' broken  
Doesn't anyone hurt anymore

I'm not a lonely man  
Locked away in a room  
Crying for some lost love  
And cursing out the moon

(Uh)  
I know there's people out there  
Love has put to shame  
Sometimes a song is all they have  
To help them through the pain

Doesn't anyone hurt anymore  
Have the teardrops stopped  
No one's walkin' the floor  
And the blues don't ever come around  
And knock on the door  
No angry words are spoken  
No hearts are bein' broken  
Doesn't anyone hurt anymore  
Hey, hey  
Hmm

Doesn't anyone hurt anymore

Have the teardrops stopped  
No one's walkin' the floor  
And the blues don't ever come around  
And knock on the door  
No angry words are spoken  
No hearts are bein' broken  
Doesn't anyone hurt  
Doesn't anyone hurt  
Doesn't anyone hurt anymore  
Hmm
