Well everytime that I come home nobody wants to let
me be

It seems that all the friends I got just got to come
interrogate me

Well, I appreciate your feelings and I don't want to pass
you by

But I don't ask you about your business, don't ask me
about mine

Well its true I love the money and I love my brand new
car

I like drinkin' the best of whiskey and playing in a honky
tonk bar

But when I come off the road, well I just got to have my
time

'Cause I got to find a break in this action, else I'm
gonna lose my mind

So, don't ask me no questions

And I won't tell you no lies

So, don't ask me about my business

And I won't tell you goodbye

That's right

Well,
