You say you were wrong to ever leave me alone
Now you're sorry, you're lonesome and scared
And you say you'd be happy if you could just come
back home
Well here's a quarter, call someone who cares

CHORUS:

Call someone who'll listen and might give a damn
Maybe one of your sorted affairs
But don't you come 'round here handin' me none of
your lines
Here's a quarter, call someone who cares

I thought what we had could never turn bad
So your leavin' caught me unaware
But the fact is you've run, girl that can't be undone
So here's a quarter, call someone who cares

REPEAT CHORUS

Yeah here's a quarter, call someone who cares
