You say you were wrong to ever leave me alone
And now your sorry your lonesome and scared
And you say you'd be happy if you could just come
back home
Well here's a quarter, call someone who cares

Call someone who listens and might give a damn
Maybe one of your sorted affairs
But don't you come 'round here handin' me none of
your lines
Here's a quarter, call someone who cares

Well, I thought what we had could never turn bad
So your leavin' caught me unaware
But the fact is your wrong and that can't be undone
So here's a quarter, call someone who cares

Call someone who listens and might give a damn
Maybe one of your sorted affairs
But don't you come 'round here handin' me none of
your lines
And here's a quarter, call someone who cares
Yeah, here's a quarter, call someone who cares
