(Bill)

I just hate stupid people  
They should just have to wear a sign that says, I'm  
Stupid!  
That way you wouldn't rely on them, would yah?  
You wouldn't ask them anything, be like, "Excuse me?"  
"Oh! Never mind, I didn't see your sign."

It's like before my wife and I moved from Texas to  
California,  
Our house was full of boxes, there's a U-Haul truck in  
our driveway  
My friend comes over and he goes,  
"Hey, you movin'?"  
"Nope, We just pack our stuff up once or twice a week,  
just to see how many boxes it takes, Here's your sign."

(Chorus - Travis)

Why can't they get the picture?  
Why don't they understand?  
We're not dealing with the planet of apes  
We're talkin' 'bout the modern man  
So you people with them itsy, bitsy, teensy, weensy,  
tiny minds  
"Here's your sign."  
"Here's your sign."

(Bill)

A couple of months ago, I went fishing with a buddy of  
mine,  
We pulled his boat into the dock.  
I lifted up this big ol' stringer of bass,  
This idiot on the dock goes, "You catch all them fish?"  
"Nope, talked 'em into givin' up."  
"Here's your sign."

I was out in the front yard with my boy the other day  
And he was playing with his little friend, and he hit his  
friend,

And I went up to him and said,  
"Hey! \*smack\* We don't hit."  
He looked at me like, Here's your sign, dad.

(Chorus - Travis)

Why can't they get the picture?  
Why don't they understand?  
We're not dealing with the planet of apes  
We're talkin' 'bout the modern man  
So you people with them itsy, bitsy, teensy, weetsy, tiny  
minds  
"Here's your sign."  
"Here's your sign."

(Bill)

I was watching one of those animal shows on the  
discover channel  
There was a guy inventing a shark bite suit.  
There's only one way to test that.  
"Alright Jimmy, you got that shark suit on, looks good.  
They want you to jump in this pool of sharks,  
And you tell us it hurts when they bite you."  
"Well alright, hold my sign, I don't wanna lose it."

Chorus - Travis)

Why can't they get the picture?  
Why don't they understand?  
We're not dealing with the planet of apes  
We're talkin' 'bout the modern man  
So you people with them itsy, bitsy, teensy, weetsy, tiny  
minds  
"Here's your sign."  
"Here's your sign."

(Bill)

Last time I was home, I was driving around, I had a flat  
tire,  
I pulled my truck into those side-of-the-road gas  
stations,  
The attendant walks out, looks at my truck, looks at me,  
And I swear to God he went, "Tire go flat?"  
I couldn't resist, I said, "Nope, no - I was driving around  
And all of a sudden the other 3 just swelled right up on  
me."  
"Here's your sign."

Chorus - Travis)

Why can't they get the picture?  
Why don't they understand?  
We're not dealing with the planet of apes  
We're talkin' 'bout the modern man

So you people with them itsy, bitsy, teensy, weetsy, tiny  
minds  
People with them little bitty, teeny, weeny, tiny minds  
"Here's your sign."

(Bill)

We were trying to sell our car about a year ago,  
Guy comes over to the house, drove the car 'round  
about 45 minutes.

We get back to the house, he gets out of the car,  
Reaches down and grabs the exhaust pipe.  
He goes, "Damn that's hot!"

See if he'd been wearing a sign, I could have stopped  
him...
