I never saw it coming  
Learned the hard way love is blind  
But you can't deny the bitter truth  
When it's right before your eyes

But I wish I was wrong  
Your love for me is gone  
I know beyond a doubt  
There's no use in hanging on  
But I wish I was wrong

The world trembled there beneath me  
It was more than I could stand  
That you'd take comfort in the arms  
Of another man

I searched my heart for answers  
I looked deep down in my soul  
From denial to revelation  
That I'd have to let you go

But I wish I was wrong  
Your love for me is gone  
I know beyond a doubt  
There's no use in hanging on  
But I wish I was wrong

Yes I wish I was wrong
