What made you think I'd let you go on treatin' me this way?

What made you think I'd let you run me down?

I have tried to keep my cool

But I will not play your fool

And it's all about to change starting now

Girl, if you had your way, I'd be cryin' everyday

Happiness is one thing you would not allow

I have listened to your lies, you can't say I haven't tried

But, it's all about to change starting now

I once believed you cared for me, boy

Was I ever wrong?

Still you made me love you, I still don't know how

It's a game that I can't win but I'll be damned if I give in

'Cause it's all about to change starting now

Hey hey, if you had your way, I'd be cryin' everyday

Happiness is one thing you would not allow

I have listened to your lies, you can't say Travis haven't tried

But, it's all about to change starting now

It's all about to change starting now
