Travis Tritt & Waylon Jennings
Album: Never Say Die [Lucky Dog] (2000)

I've always been crazy and the trouble that it's put me through
I've been busted for things that I did, and I didn't do
I can't say I'm proud of all of the things that I've done
But I can say I've never intentionally hurt anyone.

I've always been different with one foot over the line
Winding up somewhere one step ahead or behind
It ain't been so easy but I guess I shouldn't complain
I've always been crazy but it's kept me from going insane.

Beautiful lady are you sure that you understand
The chances your taking loving a free living man
Are you really sure you really want what you see
Be careful of something that's just what you want it to be.

I've always been crazy but it's kept me from going insane
Nobody knows if it's something to bless or to blame
So far I ain't found a rhyme or a reason to change
I've always been crazy but it's kept me from going insane...
