I've watched an acorn
Turn into an oak tree
And I felt the passion
Of a whipper will's call
And I've seen a flower
Bloom in the desert

But a woman so true
Lovin' me like you do
Now I've seen it all

I've seen the faces
They chiseled in mountains
Marveled in wonder
At stars when they fall
And I've watched the sun set
Slip into the ocean

But a woman so true
Lovin' me like you do
Now I've seen it all

I feel so unworthy
Of all that you gave me
I could die happy
Just knowing I am your man
I'm so undeserving
I just stand here in awe

That a woman so true
Loves me like you do
Girl I've seen it all

I feel so unworthy
Of all that you give me, yeah
I could die happy
Just knowing I am your man
'Cause you find perfection
Where others see flaws

And a woman so true
Loving me like you do

Now I've seen it all, yea yea
A woman so true
Loving me like you do
Now I've seen it all
